

Engagement Questionnaire

Interested in Environmental Topics?

Recent interest in environmental issues has highlighted a desire for residents to learn more. Several Otsego residents, environmental groups, Otsego City with support from U.S. EPA and MDEQ are working together to organize opportunities for residents to have access to information and resources from a variety of sources. Please fill out this questionnaire to let us know what you are interested in learning more about. Turn in completed questionnaire to City of Otsego table or drop off at the city office. Thank you.

Please mark topics that you would like to learn more about. May select more than one.

Science of Water: What you need to know about your city water source Yes | No

Your Environment: Scientific and Regulatory approaches to cleanup Yes | No

Historic look at Environment and Industry in Otsego Yes | No

What is Risk? A discussion about exposure to contamination Yes | No

Why Fish? A look at why environmental and health agencies focus on contamination in fish tissues Yes | No

Please list other topics you would like to know more about.

What format would you prefer to hear the topics?

- 1-2 weekend classes with multiple topics (4 hours)
- 5-6 weeknight classes focusing on one topic (1-2 hours held once per month)

Please indicate your interest in joining a Community Advisory Group to explore these topics.
